Thermofax Service

- Send a clean carbon based photocopy (such as you would get at a copy centre, Staples, Office Depot, etc.) or a laser copy of each design. Ink jet prints will not work. All ink marks will show up on the screen so be careful to look for dots and specs. One image per page please.
- Keep each design within the size limit for each screen.
- Please send only **original or copyright free** artwork
- Send your images in a rigid (between cereal boxboard etc.) envelope to prevent bending.
- All screens are taped into a plastic frame and ready to use.
